# GETTING PERMISSION WITH CCC'S PAY-PER-USE SERVICES IS QUICK AND EASY

Just follow these three simple steps:

## ① Go to [www.copyright.com](http://www.copyright.com)

The Get Permission search box is in the top right corner of the page.

## ② Search for a publication

Enter the publication title or Standard Number (ISBN/ISSN) of the publication you wish to use and click the Search icon.

## ③ Get permission

– In the search results, the most frequently requested publications are displayed first. Click the “Pay-Per-Use Options” button.

The results for each publication will list the coverage available for the permission types selected.

– Obtain permission for the desired publication based on available coverage.

## AVAILABLE COVERAGE

Below are brief explanations of the available coverage you may see in search results based on the permission types you select.

### 💰 Available for purchase

Permission is available for the type of use selected. To purchase permission simply select “Price & Order”. Pay-Per-Use allows you to purchase permission to reuse and share copyrighted content that you already have in your possession. Delivery of new content files can be achieved through CCC's document delivery service RightFind®.

### 💰 Available for Special Order

CCC is not authorized to grant instant permission for this type of use, but we will gladly contact the rightsholder to request permission on your behalf. Simply select the “Special Order” button to proceed.

### 🚫 Not available

Permission for this type of use is not available through CCC. Please contact the rightsholder directly for assistance.

### ✉ Contact rightsholder directly

We are unable to grant permission for this specific publication and type of use. Please contact the copyright holder directly. Select “Contact info” for the rightsholder's contact information.

### Public Domain

Copyright permission is not required for this publication. The publication is in the public domain in the United States and may be used without restriction.

In addition, your search results may include special terms from the rightsholder. Click the “TERMS” link to view any special terms associated with the publication.

### Additional search tips:

- You can use Advanced Search to refine your search criteria by specifying the publisher, author, country of publication or language.
- Be sure to search by publication title, not article title. For example, if you wish to use an article from The Wall Street Journal, search for “The Wall Street Journal.”
- Searching by Standard Number (ISBN/ISSN) is the easiest way to get an exact match for the publication you are looking for.
- Searches are not case sensitive.
