

RightsCentral™

The reporting and communications hub for rightsholders

A SECURE WEB-BASED PORTAL

RightsCentral is built to make it simple and efficient for rightsholders to manage their business with Copyright Clearance Center (CCC).

Log into this portal to:

- View and manage your participation in CCC services
- Review your permissions and fees overall
- Set your fees within each service
- Download title usage reports
- Gain unified access to robust analytics across all CCC services, including RightsLink

ENROLLING YOUR
CONTENT IN CCC'S LICENSING
SERVICES IS EASY:

- Visit www.rightscentral.com
- Click on 'SIGN UP'
- Follow the instructions to create your account

ROBUST TOOLS & INFORMATION

Once logged in, RightsCentral offers a custom dashboard that includes:

- Interactive graphs of your royalties earned
- Bar graphs representing your participation level in each service
- Queues of orders requiring your review, and much more

Use these tools to:

- Increase efficiencies by viewing and updating your titles and fees online
- Expand your business by enrolling your titles into new services
- Gain immediate insight into which titles are in demand and how your titles are being re-used
- Understand trends, compare earnings by year, and more by running custom royalty reports
- Download royalty reports for allocating your payments

The screenshot shows the RightsCentral website interface. At the top is the Copyright Clearance Center logo and a navigation menu with links for BUSINESSES, ACADEMIA, RIGHTSHOLDERS, LEARN, and CONTACT. Below the navigation is a breadcrumb trail: Home > Rightsholders > Products: RightsCentral. The main heading is "RightsCentral" followed by the sub-heading "The Reporting and Communications Hub for Rightsholders". A descriptive paragraph states: "RightsCentral is a secure, web-based portal built to make it simple and efficient for publishers, authors and agents to manage their business with CCC." There are two large buttons: an orange "SIGN IN" button for "ALREADY A RIGHTS CENTRAL USER?" and a blue "SIGN UP" button for "NOT YET A RIGHTS CENTRAL USER?". Below these is a section titled "LOG INTO RIGHTS CENTRAL TO:" with a list of actions: "Download title usage reports", "View and manage your participation in CCC services", "Review your permissions and fees", and "Set your fees within each service". On the right side, there are two dropdown menus: "Products" with options like "Annual and Pay-Per-Use Permissions" and "RightsLink for Permissions"; and "Solutions" with a link to "VISIT THE RIGHTSHOLDER RESOURCE CENTER". At the bottom right, there are two "PRODUCT SHEET" buttons for "RightsCentral" and "RightsLink for Permissions".

Copyright Clearance Center (CCC), with its subsidiaries RightsDirect and Ixxus, is a global leader in content workflow, document delivery, text and data mining and rights licensing technology for thousands of publishers, businesses and academic institutions. CCC's solutions provide anytime, anywhere content access, usage rights and information management while promoting and protecting the interests of copyright holders. CCC serves more than 35,000 customers and over 12,000 copyright holders worldwide and manages more than 950 million rights from the world's most sought-after journals, books, blogs, movies and more. Since 2008, CCC has been named one of the top 100 companies that matter most in the digital content industry by EContent Magazine. The company has locations in the US, the UK, the Netherlands, Spain, Romania and Japan.
