

Copyright Clearance Center Wins KMWorld Readers' Choice Award

CCC's RightFind Enterprise Selected as "Best E-Discovery Solution" by Magazine's Readers

Danvers, Mass. – November 12, 2019 – [Copyright Clearance Center, Inc.](#) (CCC), a leader in advancing copyright, accelerating knowledge, and powering innovation, announces its advanced content workflow solution, [RightFind](#)® Enterprise, was named "[Best E-Discovery Solution](#)" by KMWorld in the inaugural [Readers' Choice Awards](#). RightFind was also recently named to KMWorld's "[Trend-Setting Products of 2019](#)."

RightFind Enterprise enables faster discovery and insights with immediate access to scientific literature and data, strengthening copyright-compliant collaboration.

With 40 years' experience working with content creators and users, CCC has a long history of providing efficient solutions to industry challenges. Whether used by venture-backed startups or multinational organizations with distributed R&D teams, RightFind provides a single integrated and scalable solution to meet the evolving needs of today's research organizations.

"We are thrilled to be recognized by the people who use RightFind Enterprise- KMWorld readers - as we continue to help organizations accelerate the flow of research and streamline information management operations, making it easy for users to obtain the content they need anytime, anywhere," said Lauren Tulloch, Vice President and Managing Director, CCC.

"We're excited to announce the winners of the inaugural KMWorld Readers' Choice Awards," said Thomas Hogan, Group Publisher at KMWorld. "With a diverse array of knowledge management products, services, and technologies to consider and the stakes getting higher for information-driven success, it can be challenging to make the right choices. The KMWorld Readers' Choice Awards list provides a new resource to help make the job of identifying solutions to investigate easier."

KMWorld is the leading publisher, conference organizer, and information provider serving the knowledge management, content management, and document management markets. It informs more than 11,000 print subscribers about the components and processes — and related success stories — that together offer solutions for improving business performance.
