

Société québécoise de gestion collective des droits de reproduction

PRESS RELEASE

Copibec now offers award-winning *Get It Now*

Montreal, March 9 2015 – Copibec is proud to announce it has expanded its partnership with [Copyright Clearance Center](#) (CCC), a global licensing and content solutions organization, to offer Quebec’s Cegeps and universities CCC’s award-winning [Get It Now](#) article delivery service.

Get It Now is a cost-effective solution that gives Cegeps and universities library patrons and staff instant access to valuable journal content from leading publishers directly on library websites. It increases operational efficiencies, streamlines article ordering and invoicing processes, and includes a comprehensive Librarian Dashboard to manage and track Get It Now article purchases and create real-time usage reports.

Get It Now has been adopted in the U.S. by nearly 300 institutions of higher education and provides access to millions of journal articles across disciplines from over 130 leading publishers from around the world.

“We’re pleased Copibec is now offering Get It Now to patrons of Quebec’s Cegeps and universities,” said Tim Bowen, Director, Academic Products and Services, CCC. “Get It Now will ensure unsubscribed journal content is available to students and staff when they need it, saving libraries time and money and improving customer satisfaction.”

“We believe this partnership with the CCC will allow Copibec to provide another solution to meet to cegeps’ and universities’ needs while making sure the rightsholders receive royalties for the use of their works,” said H  l  ne Messier, Copibec’s Executive Director.

About Copyright Clearance Center

[Copyright Clearance Center](#) (CCC), a leading global rights-licensing technology organization, provides solutions that simplify compliance for content users, promotes the work of creators, and supports the principles of copyright. A rights broker for the world's most sought-after journals, books, blogs, movies and more, CCC makes it easy for businesses and academic institutions to use, share and store copyrighted material while compensating content creators for their works. With its international subsidiary, [RightsDirect](#), CCC serves more than 35,000 customers and 12,000 publishers around the world.

About Copibec

The Société québécoise de gestion collective des droits de reproduction, commonly referred to as [Copibec](#), is a not-for-profit collective that was founded in 1997 by Quebec authors and book publishers in the *Union des écrivaines et écrivains québécois* (UNEQ) and the *Association nationale des éditeurs de livres* (ANEL). Since then, Copibec's membership has expanded to include various other organizations representing visual artists and newspaper and periodical authors and publishers.

Through licences with publishers from Quebec and bilateral agreements with other reproduction rights organizations, Copibec currently represents publishers from more than 30 countries around the world. It also manages more than 700 licences signed with users from different horizons.
