WHAT'S NEW WITH MARKETPLACE?

October 2023 Release

CCC Marketplace (www.marketplace.coopyright.com) provides a self-service e-commerce site that enables users to quickly search, order, manage copyright permissions, purchase a single copy of content, and request article reprints and ePrints across millions of works from thousands of publishers around the world.

The October 2023 release includes

- Open Access license information details within the search results.
- Promotion code functionality for MedComms projects.

Open Access License Information

Marketplace displays Open Access license details within article/chapter search results for the uses a publisher makes available under a Creative Commons license. Applicable Open Access details show for all Open Access articles and chapters. The following screenshot shows an example of a CC-BY license. The Open Access details appear on the right, including the license type and a link to Creative Commons for more information.

The screenshot displays the CCC Marketplace interface. At the top, the logo 'CCC Marketplace' is on the left, and navigation links 'Sign in/Register', a help icon, a cart icon, and a search icon are on the right. Below the header is a search bar with a dropdown menu set to 'All types' and a search term '10.1088/1757-899X/466/1/012117'. To the right of the search bar are links for 'Advanced Search' and 'Search Tips'. Below the search bar, the results section shows '0 publications and 1 articles/chapters matched your search term(s)'. A 'Hide filters' link is present. The main results area is titled 'Article/Chapter Results' and includes a 'Sort by Relevance' dropdown. The first result is 'Kinematics Modeling and Simulation of GantryShip Welding Manipulator with Hybrid Structure' by Guo, Zhengqiang; Pan, Yuchen; Yuan, Xuepeng, published in 'IOP Conference Series : Materials Science & Engineering', 28 Dec 2018, Vol. 466, pages 012117 - ... The result includes the ISSN: 1757899X and DOI: 10.1088/1757-899X/466/1/012117. The publisher is IOP Publishing, and the URL is 'http://stacks.iop.org/1757-899X/466/i=1/a=012117?key=crossre...'. At the bottom of the result card, there are links for 'Request Reprints/ePrints', 'Request Single Copy', 'Request Permission', and 'Open Access - Creative Commons CC BY 3.0'. A red arrow points to the 'Open Access - Creative Commons CC BY 3.0' link.

Promotion Codes for MedComms Projects

Promotion codes can now be applied to MedComms projects within manage account. If a customer has a promotion code from a publisher, they can enter the code at the project level. See the “Apply Promotional Code” link in the following screenshot.

PROJECT BUILDER

You can build your project in the following tabs.

Project Cart (1)

Open Special Requests (0)

Purchased (2)

All Items (3)

For 'Priced' items, the quoted prices are saved until the Expiration Date(s) listed below. All non-USD prices reflect the current conversion rate. You may complete the purchase and secure permissions for all items in your Project Cart by selecting "Purchase". If no action is taken before the expiration date(s), the price will expire and will need to be repriced using the Resubmit option.
