WHAT'S NEW WITH RIGHTSLINK FOR PERMISSIONS?

June 2024 Release

The focus of the June release makes it easy to:

- Specify a name or organization to appear on a license.
- Support for Canadian Tax IDs.
- Order workflow enhancements.

Specify a Name or Organization to Appear on a License

RightsLink customers can now easily identify an individual or organization that should appear on the license for all applicable TOUs. The workflow includes the following question:

The screenshot shows a form titled "Additional Information" with a "*required field" note. It contains several input fields: "Order reference number" with the value "123456", "ReB Custom Field" with the value "1111", "Quick price" with the value "1,457.00 USD", and "Circulation*" with the value "12345". A red arrow points to the field labeled "The Requesting Person / Organization to Appear on the License*", which is currently empty. At the bottom left is a "BACK" button, and at the bottom right is a "CHOOSE PAYMENT" button.

The name entered in this field appears on the license as show below:
