Copyright Clearance Center

RightsCentral

The reporting and communications hub for rightsholders

A secure web-based portal

RightsCentral is built to make it simple and efficient for rightsholders to manage their business with Copyright Clearance Center (CCC).

Log into this portal to:

- View and manage your participation in CCC services
- Review your permissions and fees overall
- Set your fees within each service
- Download title usage reports
- Gain unified access to robust analytics across all CCC services, including RightsLink

Enrolling your content in CCC'S licensing services is easy:

- Visit www.rightscentral.com
- Click on 'SIGN UP'
- Follow the instructions to create your account

Once logged in, RightsCentral offers a custom dashboard that includes:

- Interactive graphs of your royalties earned
- Bar graphs representing your participation level in each service
- At-a-glance view of CCC services you are enrolled in

Robust tools & information

Use these tools to:

- Increase efficiencies by viewing and updating your titles and fees online
- Expand your business by enrolling your titles into new services
- Gain immediate insight into which titles are in demand and how your titles are being re-used
- Understand trends, compare earnings by year, and more by running custom royalty reports
- Download royalty reports for allocating your payments
