June 2025 Release

The June 2025 release includes:

- An updated Quick Price page
- Modified special request comments
- Standardized messaging on the Quick Price page
- Increased character limit for Special Request comments

Updated Quick Price Page

We continue to update the Quick Price page to improve the experience for customers. The Quick Price button will no longer appear. The price response will now happen automatically on the Quick Price page when customers answer all the required questions and when they make changes. See screenshot below.

The screenshot displays the 'Quick Price Estimate' form. It contains several dropdown menus for user selection: 'I would like to...' (reuse in a book/textbook), 'Select your currency' (USD - \$), 'Who is distributing your work?' (Publisher, for-profit), 'Format' (Print), 'Portion' (Full article), and 'Will you be translating' (No). A red arrow points to the 'CONTINUE' button. The price is displayed as 'Price: 1,457.00 USD'. At the bottom, there are links for 'Publisher Terms and Conditions', 'No content delivery', and 'Frequently Asked Questions'.
